GENERAL MEETING**
Wednesday, February 6, 2008 — 7:00 PM
Liberty High School Cafeteria
12220 Road 36
Madera, CA 93636

The Executive Committee meets at 6:00 PM.

GUEST SPEAKER

Craig Scharton — CEO, Central Valley Business Incubator

We all know that making kids go to school does not make them want to learn. So how do we make them want to learn? How can we create a cycle of success? We focus on inspiration and enthusiasm. We surround students with examples of success, not from some far off place, but from their very own community.

Understand the important role educators play in building enthusiasm and giving inspiration to kids who otherwise feel uneasy, misplaced, and misunderstood. Explore ways to deliver enthusiasm and measure its effectiveness. Discover how a culture of inspiration and enthusiasm can create better schools and stronger communities.
